

Potential Maximum 1st Year Contributions to a Defined Benefit Plan

The amounts below are *estimates* of the potentially large tax-deductible contributions available to high-income business owners starting a Defined Benefit plan during 2021.

Some of the considerations that will help determine whether a Defined Benefit plan makes sense are:

- Owner's level of W-2 income (or net earned income, if unincorporated)
- Age, length of service, and wages of any employees
- Anticipated contributions after the initial 2021 plan year
- Existence of any other retirement plans
- Ownership of any other businesses
